

RHODE ISLAND CONSERVATION PARTNERSHIP
2002 TECHNICAL ASSISTANCE PROVIDED

| TOWN | MAP CODE | SUMMARY |
|----------------|---------------|---|
| BARRINGTON | HRE | Coastal Buffer Installation. |
| BARRINGTON | HRE | Grassland Restoration - Gravel Bank Restoration. |
| BARRINGTON | HRE | Habitat Restoration - Early Successional Field Creation, State Threatened and Endangered Species Habitat. |
| BARRINGTON | HRE | Salt Marsh Restoration and Anadromous Fish Run Restoration. |
| BARRINGTON | HRE | Wetland restoration. |
| BRISTOL | HRE | Fish Passage |
| BRISTOL | HRE | Habitat Restoration -- Riparian Buffer Installation, Removal of Invasive Species and Early Successional Field Creation. |
| BURRILLVILLE | AWQ | Agricultural waste and runoff management plan |
| BURRILLVILLE | AWQ | Waste Storage Facility, Use Exclusion, Vegetated Filter Strip (waste storage tank) |
| BURRILLVILLE | HRE | Freshwater Wetlands Restoration |
| BURRILLVILLE | MTA | Dry Hydrant Program for Rural Fire Protection |
| BURRILLVILLE | NWQ, ERO | Nutrient management plan and erosion control |
| CHARLESTOWN | PEP | Kids Grow! |
| COVENTRY | IWM | Pond construction and irrigation mainline. |
| COVENTRY | PEP | Watershed Education |
| COVENTRY | PEP-E | Envirothon |
| CRANSTON | ERO | Stone-lined waterway, diversion, Sub-Surface Drainage |
| CRANSTON | IWM | Micro-irrigation system |
| CRANSTON | IWM | Trickle irrigation system and erosion control. |
| CRANSTON | MTA | Dam maintenance. |
| CRANSTON | MTA | Floodplain Analysis Study |
| CRANSTON | MTA | Water Quality Improvement - Stormwater Runoff. |
| CUMBERLAND | AWQ | Nutrient management on grassland/hayland fields, forage harvest management, field ditch maintenance, subsurface drainage, and composting facility |
| CUMBERLAND | HRE | Early Successional Field Creation. |
| EAST GREENWICH | AWQ | Waste Storage Facility and Comprehensive Nutrient Management Plan. |
| EXETER | AWQ | Access road, waste management, erosion control, structure for water control. |
| EXETER | AWQ | Roof Runoff Management, Waste Storage Facility |
| EXETER | ERO, GRZ, IWM | Deer control, deferred grazing, irrigation improvements, and erosion control. |
| EXETER | HRE | Field creation and enhancement. |
| EXETER | HRE | Gravel Bank Restoration. |
| EXETER | HRE | Wildlife habitat development. |
| EXETER | HRE | Wildlife habitat restoration |
| EXETER | IWM | Whole farm assessment and irrigation water management. |
| EXETER | MTA | Dry Hydrant Program for Rural Fire Protection |
| FOSTER | AWQ | Agricultural waste management and heavy use area protection. |
| FOSTER | IWM | Irrigation system. |
| FOSTER | MTA | Dry Hydrant Program for Rural Fire Protection |
| FOSTER | PRL | Forest site preparation. |
| FOSTER | PRL | Sustainable Forest Environment |
| GLOCESTER | ERO | Erosion control |
| GLOCESTER | GRZ | Fencing and pasture improvement |
| GLOCESTER | HRE | Grassland Habitat Restoration. |
| GLOCESTER | HRE | Wetland Restoration |
| GLOCESTER | IWM | Irrigation water management |
| GLOCESTER | IWM | Pond cleanout and deer fencing. |

RHODE ISLAND CONSERVATION PARTNERSHIP
2002 TECHNICAL ASSISTANCE PROVIDED

| TOWN | MAP CODE | SUMMARY |
|------------------|----------|---|
| HOPKINTON | AWQ | Waste Storage Facility and Comprehensive Nutrient Management. |
| HOPKINTON | HRE | Riparian habitat restoration |
| HOPKINTON | PEP | Kids Grow! |
| JAMESTOWN | AWQ | Milkroom wastewater treatment system. |
| JAMESTOWN | GRZ | Grazing land and Comprehensive Nutrient Management |
| JAMESTOWN | MTA | Water supply pipeline |
| JOHNSTON | AWQ | Composting facility, vegetated filter strip |
| JOHNSTON | ERO | Emergency Watershed Protection on streambank |
| JOHNSTON | MTA | Streambank Erosion Control |
| JOHNSTON | PEP | Woonasquatucket Outreach |
| LITTLE COMPTON | ERO | Erosion and sediment control |
| LITTLE COMPTON | ERO | Roof Runoff management system, Underground outlet, structure(s) for water control. |
| LITTLE COMPTON | HRE | Salt Marsh Restoration |
| LITTLE COMPTON | IWM | Clean and maintain irrigation pond |
| LITTLE COMPTON | IWM | Irrigation mainline upgrade and deer fencing. |
| LITTLE COMPTON | IWM | Irrigation system and deer fencing. |
| MIDDLETOWN | AWQ | Field drainage for vineyard |
| MIDDLETOWN | AWQ, GRZ | Agricultural waste, grazing system, and Comprehensive Nutrient Management Plan |
| MIDDLETOWN | ERO | Composting facility, vegetated filter strip, Access Road, Grassed Waterway, Stone-lined Waterway |
| MIDDLETOWN | ERO | Stone-lined waterway |
| MIDDLETOWN | GRZ | Conservation planning for small animal operation |
| MIDDLETOWN | HRE | Comprehensive wildlife habitat management -- grassland creation or restoration, saltmarsh restoration, and forest management |
| MIDDLETOWN | HRE | Fencing for wildlife habitat |
| MIDDLETOWN | IWM | Irrigation water management . |
| MIDDLETOWN | IWM | Micro-irrigation system, well, irrigation water management, pipeline, and compost facility |
| MIDDLETOWN | IWM | Pond and irrigation pipeline. |
| NARRAGANSETT | MTA | SRICD Stormwater Remediation |
| NARRAGANSETT | MTA | Storm water Remediation. |
| NARRAGANSETT | PEP-E | Envirothon |
| NEW SHOREHAM | HRE | Salt Marsh restoration |
| NEWPORT | AWQ | Agricultural waste storage structure |
| NORTH KINGSTOWN | AWQ | Brush removal, installation of pump pad, and implementation of fuel storage unit |
| NORTH KINGSTOWN | AWQ | Livestock watering facility, well, pipeline, roof runoff management, waste storage structure, diversion or waterway, nutrient management, and critical area seeding |
| NORTH KINGSTOWN | HRE | Grassland Habitat Restoration. |
| NORTH KINGSTOWN | HRE | Wetlands created, Wetland Habitat management |
| NORTH KINGSTOWN | MTA | Quonset Davis Technical Assistance Grant |
| NORTH KINGSTOWN | MTA | Quonset TAG Grant |
| NORTH KINGSTOWN | PEP-E | Envirothon |
| NORTH PROVIDENCE | PEP | Woonasquatucket Outreach |
| NORTH PROVIDENCE | PEP-E | Envirothon |
| PORTSMOUTH | AWQ | Comprehensive nutrient management plan |
| PORTSMOUTH | ERO | Diversion, sediment basin, and waterway |

RHODE ISLAND CONSERVATION PARTNERSHIP
2002 TECHNICAL ASSISTANCE PROVIDED

| TOWN | MAP CODE | SUMMARY |
|-----------------|----------|--|
| PORTSMOUTH | ERO | Streambank erosion control |
| PORTSMOUTH | HRE | Salt Marsh Restoration |
| PORTSMOUTH | IWM | Pond cleanout and conservation plan. |
| PROVIDENCE | HRE | Coastal marsh restoration and coastal buffers. |
| PROVIDENCE | PEP | Woonasquatucket Outreach |
| PROVIDENCE | PEP-E | Envirothon |
| RICHMOND | AWQ | Nutrient management study. |
| RICHMOND | IWM | Irrigation Water Conveyance, Micro-Irrigation, and irrigation water management. |
| RICHMOND | IWM | Irrigation water management and nutrient management study. |
| RICHMOND | IWM | Irrigation Water Management and Nutrient Management study. |
| RICHMOND | IWM | Well and pipeline. |
| RICHMOND | PEP | Kids Grow! |
| SCITUATE | HRE | Early successional fields. |
| SCITUATE | IWM | Micro-irrigation system |
| SCITUATE | MTA | North Scituate Village Stormwater Project |
| SCITUATE | PRL | Forest stand improvement |
| SMITHFIELD | HRE | Riparian Buffer. |
| SMITHFIELD | IWM | Integrated crop management and irrigation water management |
| SMITHFIELD | PEP | Woonasquatucket Outreach |
| SOUTH KINGSTOWN | AWQ | Filter strip, fencing, roof runoff management, buffer strips, reservoir maintenance, and manure storage. |
| SOUTH KINGSTOWN | AWQ | Nutrient Management. |
| SOUTH KINGSTOWN | ERO | Critical area planting. |
| SOUTH KINGSTOWN | HRE | Field creation and enhancement. |
| SOUTH KINGSTOWN | HRE | Habitat restoration |
| SOUTH KINGSTOWN | HRE | Vernal pool creation. |
| SOUTH KINGSTOWN | IWM | Irrigation Pond |
| SOUTH KINGSTOWN | IWM | Irrigation system and well. |
| SOUTH KINGSTOWN | IWM | Technical assistance for pond. |
| SOUTH KINGSTOWN | PEP-E | Envirothon |
| TIVERTON | AWQ | Nutrient management within the sensitive watershed. |
| TIVERTON | HRE | Early Successional Field Creation, Old Field Restoration |
| TIVERTON | HRE | Habitat restoration |
| TIVERTON | HRE | Whole farm plan and Wildlife Habitat. |
| TIVERTON | MTA | Dry Hydrant Program for Rural Fire Protection |
| TIVERTON | PRL | Demonstration farm for best management practices for agricultural, wildlife land, and forest land use. |
| WARREN | AWQ, IWM | Irrigation Mainline and waste storage structure |
| WARREN | HRE | Coastal Buffer Installation. |
| WARREN | HRE | Early Successional Habitat. |
| WARWICK | AWQ | Nutrient management and agricultural waste management. |
| WARWICK | HRE | Salt Marsh Restoration - Invasive Species Removal. |
| WARWICK | HRE | Wetland restoration and conservation plan |
| WARWICK | PEP-E | Envirothon |
| WEST GREENWICH | AWQ | Fencing practices for rotational grazing |
| WEST GREENWICH | ERO | Emergency Watershed Protection on forestland |
| WEST GREENWICH | HRE | Land preparation, fencing, and seeding for habitat restoration. |
| WEST GREENWICH | HRE | Wildlife habitat development. |
| WEST GREENWICH | MTA | Dry Hydrant Program for Rural Fire Protection |
| WEST WARWICK | PEP-E | Envirothon |
| WESTERLY | AWQ | Agricultural waste management |

RHODE ISLAND CONSERVATION PARTNERSHIP
2002 TECHNICAL ASSISTANCE PROVIDED

| TOWN | MAP CODE | SUMMARY |
|---|----------|---|
| WESTERLY | AWQ | Heavy use area protection, Roof Runoff Management, Vegetated Filter Area, Fencing, and Nutrient Management |
| WESTERLY | AWQ | Nutrient Management. |
| WESTERLY | ERO | Riverbank erosion |
| WESTERLY | IWM | Irrigation Water Conveyance (high-pressure) |
| WOONSOCKET | PEP-E | Envirothon |
| STATEWIDE ASSISTANCE PROVIDED | | |
| Alternative Forestry Planning Group | | Guided by the Alternative Forestry Committee. Challenge Grants for Establishing Alternative Forest Based Business. |
| Biosecurity | | Rhode Island Cooperative Emergency Response Plan for Highly Contagious And Zoonotic Animal Disease. |
| Composting Facilities Directory | | Linking composters and manure producers. |
| Envirothon | | Annual competition of High School students that challenges students to develop a greater appreciation and sense of personal stewardship for the environment. |
| Farm, Forest, and Open Space (FFOS) Mapping | | Mapping for Farm, Forest and Open Space designation. Developed workshops on forestry issues and the District's fee program for developing resource materials for FFOS application. |
| Kickemuit Watershed Coordination | | Working on a joint proposal with Massachusetts on an interstate watershed planning proposal to plan the Kickemuit-Ten Mile River watershed as one interstate basin. |
| Pawcatuck Watershed Water Use Stakeholders Group/Optimization Project | | Developed of plan of work for the Conjunctive Use Optimization Model. Four golf courses and four farmers have agreed to participate in the project by having their water use metered and used to calibrate the models |
| RI Agricultural Land Preservation Committee | | Provide technical information on soils and provide program support for Farmland Protection Program. |
| RI Dairy Cooperative | | RI Dairy Farmers received a grant from the RI DEM Division of Agriculture to develop a business plan for a dairy cooperative. |
| RI Harvest Handbook | | The Handbook is a guide to farms and farm stands that sell locally grown fruits, vegetables, and locally raised meats. |
| RI Rural Lands Coalition | | Focus on getting the FFOS regulations finalized, citizen's packet updated, and workshops for landowners organized. |
| Rural Development Council | | RI RC&D working with Council on ways to work together on rural community development. |
| SRICD Site Plan Review Program | | Technical assistance for site plan reviews. |
| Understanding Soils & Soil Survey Workshops | | Presented technical information on soils to realtors. Provided technical workshop on soils for students and teachers in the Envirothon Program. |

| MAP CODE LEGEND | |
|-----------------|--|
| AWQ | Water Quality Improvement - Agricultural |
| NWQ | Water Quality Improvement - Non-Agricultural |
| ERO | Soil Erosion Control |
| GRZ | Grazing Land |
| HRE | Habitat Restoration or Enhancement |
| IWM | Irrigation Water Management |
| MTA | Municipal Technical Assistance |
| PEP | Public Education and Outreach |
| PEP-E | Public Education and Outreach - Envirothon |
| PRL | Preserving Rural Lands |
